ADMINISTRATION, FACULTY, AND STAFF

TO THE CLASS OF 1995:

Ten miles behind me and ten
thousand more to go.

-James Taylor

Most of you have an overflow of energy and enthusiasm for another ten thousand miles in your life. Hold on to these gifts especially as you find your future to be tiring and draining. Be persistent but also flexible. Above all, don't ever stop caring. Isolation and loneliness are the sad results for those who have lost the courage to stay enthusiastic and energetic about life.

Richard Kisiel
Superintendent of Schools

TO THE CLASS OF 1995:

I remember well the first time that I met you. You were shy freshmen very much wanting to make a good impression. I asked you to be quiet and give me your attention. You were too afraid not to do exactly as your principal asked.

You've lost your shyness and you are no longer afraid. You have matured, and in most every case, you are a better person now than you were four years ago. You have been through a lot as a class, and now you will all go your separate ways. Some strong friendships that you have nurtured over four years will be replaced by new friends, yet that bond built up over the last four years will always be there.

As you travel down this new road, I wish you health and happiness. May you find love and comfort in all that you do. Good luck Class of 1995 -- you have been special.

Marshall Sawyer
Principal

TO THE CLASS OF 1995:

Congratulations to the class of 1995. Hopefully your four years at Dighton-Rehoboth have been both productive and enjoyable. Your achievements in academics and participation in athletics and/or extra-curricular activities now become the memories and the legacy left behind by your class. As individuals, continue to pursue educational opportunities no matter what you choose to do after high school. May the years be healthy, joyful, and bountiful.

George H. Petrin
Assistant Principal

TO THE CLASS OF 1995:

Congratulations to the graduating Class of 1995. Your years at Dighton-Rehoboth Regional High School have provided you with a good foundation for the future. Build from the past and reach forward to new experiences. Albert Schweitzer once said, "I don't know what your destiny will be, but one thing I do know: the only ones among you who will be really happy are those who have sought and found how to serve." I wish each and every one of you the greatest success and happiness in the years to come.

Francis M. Marcille
Director of the Vocational
School
Director of Occupational Education

TO THE CLASS OF 1995:

My congratulations to each of you as you graduate from high school and as you begin the next phase of your life. As you do, I have a thought for you:

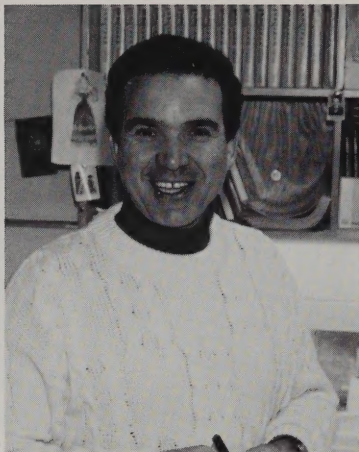

"I expect to pass through this world but once. Any good therefore that I can do, or any kindness that I can show to any fellow creature, let me do it now. Let me not defer or neglect it, for I shall not pass this way again."

I wish you well today, tomorrow, and always. May you use your talents wisely and generously.

September 26, 1976 -December 28, 1994

Football, Baseball, Band, Chorus, woodworking, hunting, fishing. Friends meant the world to Chris. His smile would melt your heart. What a lady charmer he was! Friends are forever. The Chevy blazer, smoking Newports.... To know him was to love him. Everything happens for a reason. Life is funny with its twists and turns. No two people ever follow the same path. He'll always be close in our hearts and minds. We'll never forget him. Love, Dad, Barb, Tanya, Jen, all of his family, and all of his friends and teachers.

Also, the Art Club is involved in developing community projects as they arise. D-R performed well this season, scoring in fourth place or above at all meets. This record earned us a place at the Southeastern Massachusetts Conference Math League playoffs. On November 17, 29 new members were introduced into our chapter on the basis of their scholarship, leadership, character, and service.

National Honor Society members serve the school and community. Over 70 Dighton Rehoboth students have been tutored by NHS members this year, and our chapter raised over \$3,000 for the American Heart Association in a phoneathon held at Princess House in December. This year's staff of the *Falcon Flyer* was phenomenal. The editors of each department not only
 edited their respective departments, but also wrote for other departments. Staying after for layout
 sessions, the staff worked vigorously to produce the final result: each quarterly issue of the paper.
 The two editors-in-chief, seniors Leeanne Hubbard and Alette Pauly, not only edited but also
 helped with various other departments. Through their combined perseverance, the students, along
 with faculty advisors Mr. Jeffrey and Mrs. Carol Day, attempted to provide an accurate and com-
 plete record of major Dighton-Rehoboth events for the 1994-1995 school year. Good luck to next
 year's editors and staff!

Project H.O.P.E. (High Schools Organized to Protect the Earth) aims to raise awareness of environmental issues among high school students. It is a statewide organization run by and for high school students who work together for environmental preservation. Members of this club meet under the direction of the advisor and carry out activities such as water-quality monitoring, Adopt-A-stream, recycling projects and helping to save endangered and threatened wildlife by providing support to organizations that focus on habitat preservation.

Under the leadership of President Erika Field, the Dighton-Rehoboth Student Government continued to have a very positive impact on student life at D-R. Erika, along with fellow Student Government Officers, Meredith Reba, Jennifer Howe, Sarah Hollinshead, and Artemis Christodoulou, led an effort to increase community service projects and to add greater meaning to the efforts of Student Government.

The Boston Marathon Jimmy Fund Walk raised over \$1000 for cancer research. Spirit Week competition and a general sense of good will brought in an all time record contribution for the Thanksgiving Basket Drive. Intergenerational work and activities with the local councils on aging were carried out. Student Government members volunteered at local soup kitchens. In March, senior efforts led a tremendously successful Citizens' Scholarship Fund Supper. Blood Drive chairs, Cynthia Creel and Ann Simmons, conducted one of D-R's best drives to aid the American Red Cross and provide so many with the gift of life. Through all of these projects, D-R students were given the opportunity to observe the necessity of helping others in our community and to develop a sense of civic responsibility.

D-R continued to stay involved at the local and state level as well. Erika Field served as SEMASC Publicity Coordinator and D-R Student Government was represented at both MASC in Hyannis and SEMASC.

A small but highly efficient staff managed by editor Erika Field handled everything from selling yearbooks to setting up page layouts, cropping pictures, and composing and editing copy in assembling the 1995 yearbook. Special thanks go to senior Lauren Gifford and junior Ann Forstie who gave up many study halls and after-school sessions, especially around deadline time. The staff also wishes to recognize the contributions of senior Kate Lass, junior Kevin Desforges, and freshman Clare Forstie who also worked hard to make this year's book a success. Thanks are also extended to Mr. Flaherty for generating the very necessary class lists, sometimes on a moment's notice, Mrs. Araujo and the principal's office staff for their assistance, Chestnut Hill Studios for furnishing photographs of just about everything, and Mr. Arnie Lohman of Josten's Publishing for his usual dedication and enthusiasm. Last but not least, the staff wishes to thank Mr. Harwood for his help and the use of his office and desk throughout most of the school year.

The 1994 season was the most successful season in the history of boys' soccer. Finishing with an overall record of 9-4-6 and finishing in second place in the South Coast Conference were first-time accomplishments. While hosting a tournament game for the first time, the team established itself as a southeastern Massachusetts power.

The team was led by co-captains Chris Biello and Kevin White. Senior Chris Biello tallied 20 goals and 9 assists and ended his career with a total of 44 goals, 22 assists, and 66 points, all school records. Junior Kevin White, sidelined by an injury midway through the season, once again proved that he was one of the most complete players in the state.

Chris Biello and Kevin White were both named S.C.C. All-Stars, while Chris Borden and Chad Hawksley received honorable mentions. Seniors Todd

Carter and Donovan Fauvelle had outstanding seasons while seniors Mike Chiavarolli, Corey O'Connell, and Jeremy Williams all made significant contributions.

Congratulations to the 1994 boys' soccer team for setting a standard of excellence for future teams.

Despite being plagued by injuries throughout most of the season, the Falcons again qualified for the state tournament, eventually losing to Bishop Feehan. The varsity program consisted of just three seniors, so the Falcons will return an experienced team for the 1995 campaign. This 1994 team was led by All-Star Julie Lund and Honorable Mention All-Stars Rachel Poole and Jill Saxon, all juniors; but it was the mature leadership of the seniors Amy Cournoyer, Becca Lysaght and Lauren Gifford that pulled the team through the setbacks during the season and qualified them for tournament play.

The team finished third in the South Coast Conference with a 6-4-2 record. Tri-captain Kate Coleman and co-captain-elect Chris Karas were selected as Conference All-Stars, while tri-captain Dawn Glynn and co-captain-elect Meredith Viveiros received honorable mention recognition.

This year's 9 senior members played an integral role in the positive direction the girls' soccer program has taken in just two short years. Their significant impact was very much evident in their work ethic and their exemplary leadership and performance both on the field and in the classroom.

 2nd Row: Peter Kelly, Nate Smith, Jason Szoztek, Jedediah James, Shawn Cronin, Jason Souza, Dan Lockhart, Nate Tarter, Jason Sidok, Mr. Bill Cute (coach)

This year's golf team had a very successful season. A 9-3 conference record earned the team second place in the South Coast Conference. By finishing with an overall record of 11-5, the team went to the state sectionals, where it qualified for a spot in the Division II State Championship. The golfers overcame the challenges of the very difficult Ipswich Country Club to finish second--the best any Dighton-Rehoboth golf team has done in state play.

Several golfers received individual honors as well. Senior captain Kevin Torres concluded a most distinguished career by being selected to the S.C.C., Fall River Herald, and Attleboro Sun all-star teams. Junior captain Mike Grasley was also selected to those three all-star rosters. Junior Jared Dyer, this year's most improved player, qualifies for the State Individual Championship and was named an Attleboro Sun all-star and an S.C.C. honorable mention. With ten returning players,

it's easier for the team to win an S.C.C. title next fall.

The team also lost one of its members when Peter Kelly and his mother were killed in a tragic house fire. The 1995 D-R golf season will be dedicated to the memory of Peter and Denise Kelly.

BOYS' WINTER TRACK

The Boys' Winter Track Team was a surprise in the S.C.C. as they were in contention for the conference championship until the last week of competition. Many of the meets proved to be exciting as the final event determined the victorious team. However, the team's strength rested primarily on the legs of Jeff Coleman and Kyle Long. Both S.C.C. all stars along with Casey Perry and Mike Scanlon.

The 1995 Falcon baseball season was one of the best in D-R history. The Falcons finished with a 17-3 record, 14-2 in the S.C.C., co-champions with Case. Excellent pitching was the hallmark of this team led by all-S.C.C. selections Joel Brown (6-1, 2.03 E.R.A.) and Shawn Cronin (7-1, 1.57 E.R.A.). Shortstop Mike Mullen was also named all-S.C.C., batting .318 while playing excellent defence. Biagio Indindoli, with a .317 batting average, led the team with 19 R.B.I.'s. The team's ability to win close games was another key to their success. This team is the first S.C.C. baseball champion in the school's history and the first baseball champion since 1981.

This season for the Falcons was one of growth and improvement. With an overall record of 14-6, the team finished fourth in the competitive South Coast Conference. Tri-captains Maria Day, Meredith Reba, and Torrey Steele led the team with their experience and competitive work ethic. Highlights for the 1995 season include an extra inning win over Wareham and the selection of South Coast Conference All Stars Maria Day and Torrey Steele.

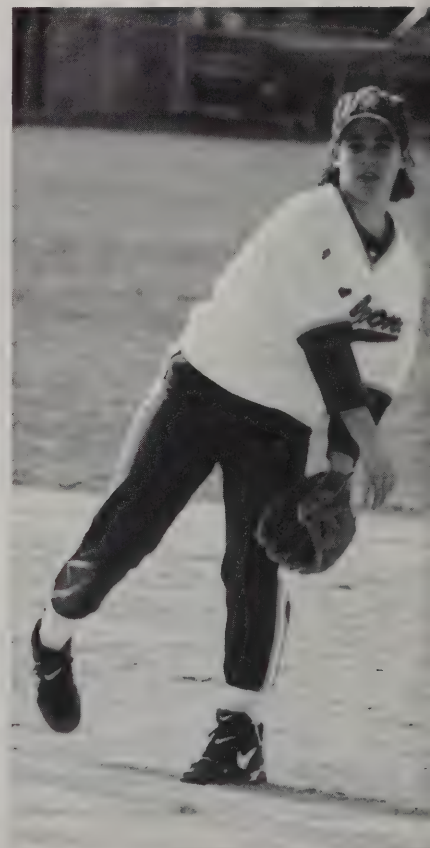

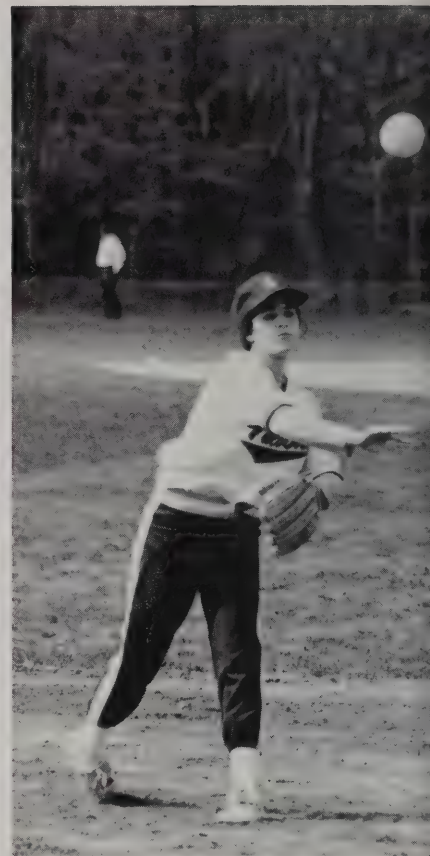

Best of luck to next year's team and congratulations to this year's team on a great season!!

The Dighton-Rehoboth Boys' Tennis Team enjoyed a 7-9 season. Seniors Todd Carter and Kevin Torres encouraged the underclassmen to remain focused and determined. From March to May, the players practiced conscientiously and progressively developed their tennis skills. Our turning point occurred against our mid-season opponent, Seekonk. We lost the match, but we were much improved in our overall play. The highlight of the season was the upset (3-2) victory over Apponequet, a team we had never defeated.

Chris Ware led the team with eight wins, and the doubles teams of Seth Braga/Dale Joubert and Kevin Torres/Adam Perry had six wins each.

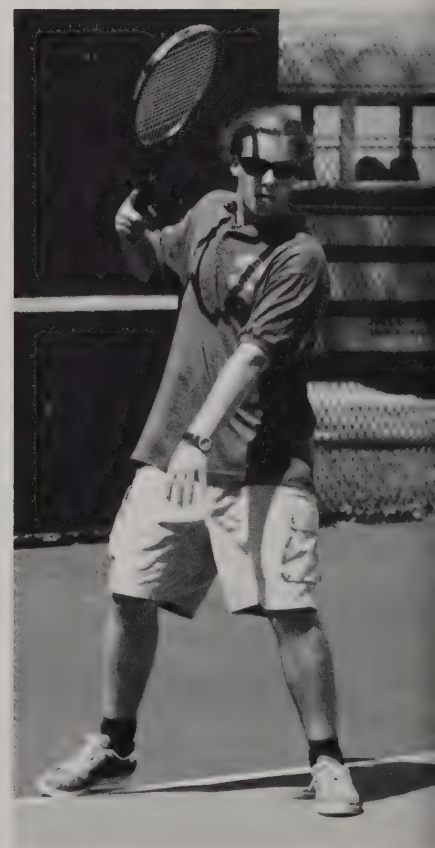

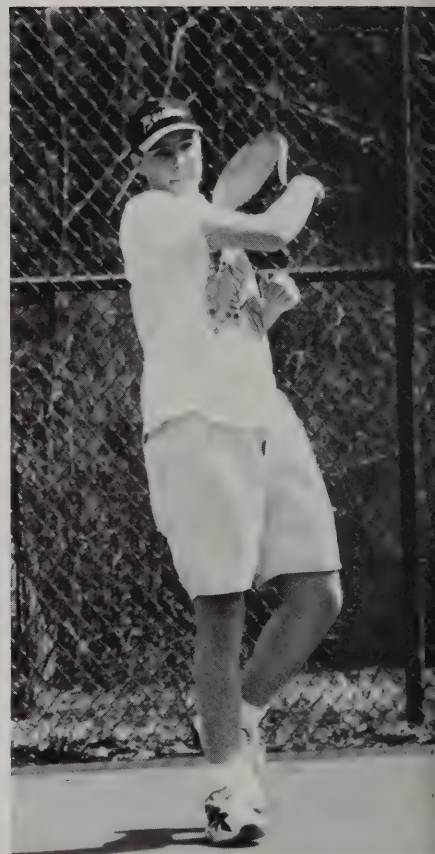

We will miss our seniors, Todd Carter, Sean Lynch, Kris Lange, and Kevin Torres, but the team looks forward to the challenges that face it in the 1995-96 season.

The final record of the D-R Girls' Tennis Team did not mirror the fact that the team was in the running for a tournament berth well into the second half of the season. The team was led in individual victories by sophomore singles player Kim Miller. Erika Field, Molly Hogan, and Sadie Case were highly respected as captains and leaders of the eighteen-player squad.

Looking to the future, the Falcons will be able to present a full team plus back-up players with varsity experience when they open the 1996 season.

During the 1995 Spring Track and Field campaign, the Falcons showed not only a determination but also a demonstrable pride as a team by winning five of their seven meets in either the last two events or in the final relay event. The team was spearheaded by senior co-captains Jeff Coleman, Justin Manocchia, Tom Hogan, and Michael Baker.

Substantial point-earners were seniors Jeff Coleman and Justin Manocchia, juniors Chad Hawksley, David Weeden, and David King, and sophomores Greg Correia and Matt Hobson. In addition to earning their varsity letters as freshmen, John Dufort and Nate Clark forecast excellent hope for the future.

Coleman and Manocchia qualified for the New Englands by placing second in the 300 Intermediate Hurdles and fourth in the Javelin Throw respectively in the State Championship. Jeff Coleman posted the second fastest time in Massachusetts with a blazing 38.12, while Justin Manocchia possessed the farthest toss in the entire state with a throw of 207 feet 6 inches; both individual performances were likewise school records. Also as an additional honor, Manocchia was elected to the Boston Globe's prestigious All Scholastic Team for 1995.

With its youth, enthusiasm, and ability, the Falcons look promising for next year.

The 1995 track and field season saw the girls' team struggle through illness and injury to a 5 and 5 over-all record with a 4 and 4 mark in the South Coast Conference, good for fifth in the standings. Deserving special recognition for the team's successes are the four captains whose leadership often spelled the difference between success and failure for the team: Jessica Bouchard, Jen Golsby, Becky Grandmont and Jamie Martin.

Three Falcons led the team this spring: Jessica Bouchard, Kate Coleman, and Rachel Poole. All three girls were named to the SCC All-Star Team: Jess in the 100 meters, Kate in the javelin, and Rachel in the high jump. Jen Golsby and Meredith Viveiros were named to the honorable mention team.

This season saw just one record set, and that was by first year track athlete, Kate Coleman. She set a new standard in the javelin with a toss of 124'10".

In the State Class C Meet, Rachel Poole took first place in the high jump for the second straight year. Kate Coleman also performed well placing second in two events, the javelin and the 400 meter dash.

Special mention should be made of our foreign exchange student, Lena Bogstrand. Her hard work, team dedication, sense of humor, and personality will be missed next year.

The team graduates eight seniors each of whom added much to the personality of the team, and each in turn will be missed for who she is and for what she did. In addition to our captains and Lena, we say good-bye to Kate Coleman, Jen Howe, and Leeanne Hubbard.

Yearbook Award**

Erika Lynne Field

The Robert T. Roy Medal is presented annually to the outstanding member of the senior class, that is the student who best demonstrates in his or her daily living those qualities exemplified and exhibited by Mr. Roy in his years of dedicated public service. These are: scholarship, honesty tempered with compassion, loyalty circumscribed by sportsmanship, and dedication leavened by insight, humor, and achievement.

Erika ranks in the top 2% of her graduating class with a weighted grade point average of 99. A very active member of the student government for the past four years, this year she was elected president. She has been both a participant and organizer of student government activities at the local, state, and national level. She is the editor of the yearbook and will be attending Duke University in the fall.

**James F. Frates Award
Class Salutatorian**

Meredith Lynn Reba

The award was established in 1979 in recognition of an outstanding educator, Mr. James Frates, who gave his entire professional life to serve the people of Dighton and Rehoboth. The award is presented to that member of the National Honor Society who best exemplifies those qualities of membership.

In addition to being a three-sport athlete, captain of both the varsity field hockey and varsity softball teams, Meredith is president of the National Honor Society and vice president of the student government. She is salutatorian of her class and has numerous academic awards to her credit. She will be attending Bowdoin College in the fall.

Mustard Seed Award

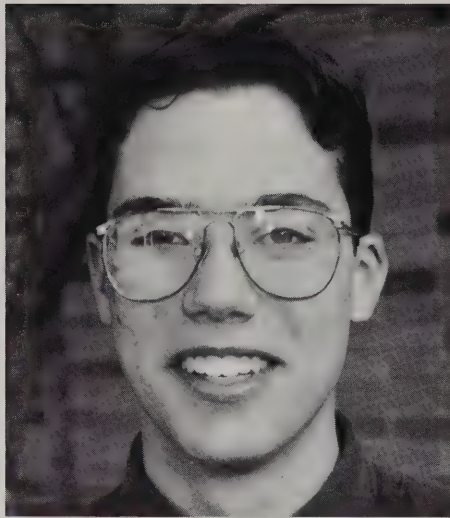

Kevin James Torres

The Mustard Seed Scholarship is a \$32,000 scholarship, \$8,000 per year for four years. It is made available to emphasize the importance of excellence, creativity, and love of learning among students. It is intended to encourage the growth of individuals who can contribute effectively and change constructively the society in which we live.

Kevin was selected by the Dighton-Rehoboth faculty and Student Government from an original list of 28 applicants. He ranks in the top 3% of his class. He is captain of this year's golf team and has been named most valuable player of the golf team for the past three years. He has achieved all-star status in the S.C.C. three years in a row. As president of Peer Leaders, Kevin has been a leader in the effort to make students in the school alcohol and drug free. A pre-med major, he will be attending Notre Dame University in the fall.

Graduation 1995

A final word from the editor:

Dear Seniors:

Four years ago it seemed like graduation would never come--and now it's over! The Class of '95 was full of unique individuals who blended together to form an outstanding class. Each of us was special and had our own talent. We all made our mark on the school and on each other, impressions that will last forever.

As we go our separate ways, we will all find our own lives. Always remember to follow your dreams wherever they may lead you and never give up. I wish every member of the Class of '95 the best of luck.

I would like to take this opportunity to thank Lauren Gifford, Kate Lass, Ann Forstie, and the remainder of the yearbook staff for their effort and support throughout the year. Without them, this year's book would not be possible.

Special thanks go out to:

Mr. Joe Geoffroy and Mr. Paul Deroche of Chestnut Hill Studios

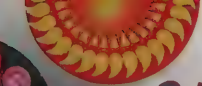

Mr. Arnie Lohman of Josten's Publishing

Mrs. Araujo and the office staff

and Mr. David Harwood, our advisor.

Sincerely:

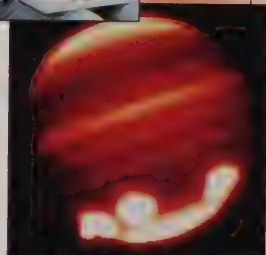

Erika Field
